November 1, 2007

Potential Sponsor
Business Partner
Community Support

Dear Potential Sponsor:

Thank you for your interest in supporting the Tenth Annual Tracy Women's Forum Conference, which will be held on Friday, March 14, 2008 at the Tracy Community Center.

The Tracy Women's Forum Association is a non-profit association that conducts a conference each year during March, which is National Women's History Month. This educational and inspirational Forum has been well received by the women of Tracy and the surrounding communities.

Every year we feature dynamic professional women speakers, entertainment, trade booths, catered meals, and recognition of our generous Sponsors throughout the day. Special awards are given to a number of remarkable Tracy women, and a video is shown in their honor which also highlights our Sponsors' names and logos.

We know you are a positive business presence in Tracy and consider you a good neighbor, working with our residents to create a viable, progressive community. We extend this invitation to you, not only because we need your financial support for the Tenth Annual Tracy Women's Forum, but also to give you the opportunity to use this venue to highlight your on-going good works. We welcome you to share in the appreciation for the women of Tracy.

Your financial assistance as a Sponsor will help insure that the Tenth Annual Tracy Women's Forum is not only highly successful, but the best one yet! The 2008 Sponsor form which details the benefits for your contribution is attached for you to sign up and return to us. If you have other methods that you would like to use to emphasize your business, please feel free to suggest them to us.

We will be in contact with you in the coming weeks to discuss your commitment. You may call me directly if you have additional questions at (209) 832-4992. Please browse our website at www.tracywomensforum.com.

Sincerely,

CHRISTINE CARRIER ~ SPONSOR COMMITTEE CHAIR
